

FIS Global Headquarters FIS Global, Jacksonville, Florida

Fidelity National Information Services, Inc. (FIS) is a leading global provider of financial technology solutions, dedicated to advancing the way the world pays, banks, and invests. Headquartered in Jacksonville, Florida, FIS employs over 56,000 people across 58 countries, serving more than 20,000 clients in over 130 countries.

History and Growth:

Founded in 1968 as Systematics™, the company underwent several transformations, including acquisitions by ALLTEL Information Services and later by Fidelity National Financial®, which renamed it FIS. Over the years, FIS expanded its capabilities through strategic acquisitions, including Certegy® in 2006, eFunds® in 2007, Metavante® in 2009, SunGard in 2015, and Worldpay in 2019. These acquisitions have positioned FIS as a Fortune 500® company and a member of the Standard & Poor's 500® Index.

Services and Solutions:

FIS offers a comprehensive suite of solutions across the financial services spectrum, including:

- Core Banking and Digital Solutions:** Helping financial institutions deliver seamless experiences across customer touchpoints.
- Payment Processing:** Enhancing acquiring and payment offerings for merchants and businesses.
- Asset Management and Capital Markets Solutions:** Serving asset managers, traders, custodians, treasurers, and clearing agents.
- Wealth and Retirement Services:** Transforming retirement experiences and strengthening client relationships in wealth management.

Global Presence:

With operations in 58 countries, FIS processes over \$75 billion of transactions globally, supporting a diverse client base that includes financial institutions, businesses, and developers.

Recent Developments:

In December 2024, FIS was recognized for outstanding customer satisfaction in IDC Treasury Awards and named a leader in core banking in the IDC MarketScape.
